BLAIR-NTS-01

alaina & alison

When these girls are bored and without any men around to entertain them, gorgeous and resourceful Alaina and Alison enjoy coming up with satisfying ways of entertaining themselves. They discovered that there is really no better way to kill time than to see who can cum the most, and so they while away hours attacking each other's pussy with fingers, tongue and toys. Today Alaina surprised Alison by presenting her a fresh-shaved pussy that is lotioned smooth and silky.

WANT TO SEE THESE TWO GET IT ON? WE DO. YOU DO. THE WHOLE WORLD DOES!

Alison was so excited by the new mons that she kissed candy crazily on her lips and worked her way down to Alaina's sweet pussy. Then Alison licked Alaina's pussy lips before filling her love box full of tongue and fingers, that she enjoyed with every thrust. Then it was Alaina's turn and Alison opened her privates until her thighs quaked in a finger-induced climax. This went on all day and finally, exhausted, the two fell asleep on the sofa in each other's arms. Seriously, who needs boys?

malena

It's finally time for Malena to unveil herself. This up-and-coming experimental physist attending college and working her way to some serious scientific endeavors. While she claims to not yet know what area she wants to specialize in, she has been having tons of fun exploring her sexuality while she can Once her job starts, her focus will be in the lab, not the bed. I like sleeping with girls! This sexy babe gushed during the photo shoot.

I'M A BIG SCIENCE FAN. I LIKE DOING WEIRD EXPERIMENTS TO SEE WHAT HAPPENS.

I once had a superheated three-way with my girlfriend and her boyfriend and ever since then I've been addicted to pussy. She still makes room for men though because as she puts it: I enjoy a big cock way too much to give it up entirely. When hooking up with friends Malena likes to be right in the middle of the action. You know, when I get fucked from behind while going down on the girl in front of me? That's the best of everything! It sure sounds like she knows what she's after in the sack at least! She'll learn about the lab later. I already know what I'll be wearing under my lab coat! Nothing!!!

IF I'M GOING TO SPEND TIME IN BED AND CUT CLASS, I MIGHT AS WELL HAVE ORGASMS, RIGHT?

I'm sure spending a lot of time here since Raul broke up with me. My girlfriends tell me I shouldn't let it get to me - but it does. I don't want to climb out of bed. I'm here playing with myself again. Does this count as a hobby? Only kidding. I know I should go to classes but my body can't be bothered. Yeah it's my body's fault. It just wants to lay here and get played with so it will forget my mind's all depressed.

I'd get up and look at myself in the mirror. I think I'm a pretty good looking girl. Maybe I'm not glamorous but do I have to be? Raul said our relationship wasn't forged by destiny. I should've known the cosmic side of his immature personality would interfere with a good thing. That's the last time I date a college senior!

Your pussy is the fountain of your wisdom, (that's the kind of thing the pussy watchers say) I know what it looks like from pictures that Raul took and – it's so cute too. Raul spend plenty of time down there. He used the joke around and collect the candy store. I tell them to eat his candy like a good boy. I run my fingers through his curly hair while he did. I miss that so much. Maybe I can use that good memory to get myself off? No, on second thought, go away Raul. Maybe your life turned to shit. Maybe you never hooked up with anybody again and may you end up eating out of trash cans. Wait, maybe that's a better idea for a masturbation fantasy! My pussy actually seems to be getting wet.

my pussy actually seems to be getting wet

I decide to close my eyes and watch Raul get his! If I'm going to spend time in bed and cut class, I might as well have orgasms, right? What else should I think of? Maybe the older guy yesterday in the diner window? He wasn't bad looking and watched me.

He seem interested in me, all right. I was standing there in front of the diner texting one of my girlfriends about Raul's latest outrage, that he wants to try to be friends in some way even though he doesn't want to fuck me anymore. And when I saw the older guy in the window, eating a burger in his booth by himself with the newspaper spread out on the table – but he wasn't reading. He was watching me.

I stuck out my tongue. Was that a silly thing to do? It made him laugh and then I forgot where I was in my texting. I turned back to my phone and I could feel the guy's eye still on me. I detected movement and saw he was trying to pretend that he wasn't staring, going back to his meal. I could see in the

I DON'T HAVE TO COME IN YOUR PUSSY. I CAN COME IN YOUR MOUTH.

reflection on my cell phone's screen that he was looking at me again. What did he want to do with me? What do these older guys want with nineteen year old college students?

I bet that old guy would appreciate me in bed, though. I bet he would be drooling. No doubt about it. What Raul took for granted, this older dude appreciating me would think I'm a grand prize. I like that thought. Let me close my eyes and run it through my mind. The old dude appreciating me. Wanting me. Wanting to see me nude, wanting to touch my boobs, wanting to kiss my neck and mouth, wanting to play with my pussy…

I can see him in my mind, as I'm rubbing myself, his eyes moving from his burger to my buns, wanting every inch of me. So what if he's old, he shows good taste! He wants to get up from his booth in the diner and come out of the restaurant and say to me… "I want to fuck a young beauty like you." "Do you?" I say.

"I'm too old to waste time," he says. "I want a pretty thing like you. I want to get in bed with you and kiss that face and smell your hair. I want to feel our bodies naked in the sheets and I want to feel your feet rubbing against mine as we kiss deep. I want to feel you climb on top of me with that pretty body of yours. I want you to take my cock and put it inside you where it's pink and moist and wet." he continues.

"Do you really, sir?" I tease him.

"Yes, that's right, pretty girl. I want to see you on top of me naked and riding my dick. I bet you know how to ride a dick really good, college girls these days have a gift for that. Your young men don't appreciate what older men know." he says, mocking my most personal thoughts.

"Do you want my pussy, mister? Yes? You don't mind if I call it a pussy, do you?" I tease him some more.

"You females have pussies and so you call the shots, not only with young guys, but with older guys too. I want you to ride me with that pussy of yours, run my hands on your butt and over your boobs and suck your fingers." he said.

"I'd like to see you put things in your mouth… but I haven't sucked your cock yet sir!" I retorted.

He counters me quickly. "You're right darling, so let's correct that now. I don't have to come in your pussy, I can come in your mouth. I know you would appreciate that. What a pretty mouth you have, a girl with the mouth like that must really have all the boys taking notice."

"Yes, they do, mister. Every one of them, they all want my mouth." I say

I SQUIRM AND TWITCH AND I CAN SEE HIM GETTING EVEN MORE TURNED ON.

someone who's been around a few mouths, you are the best damn cocksucker I've ever had! And look at the proof shooting out. Look at it! Look!" he demands.

"Oh yes mister! Oh yes!" I agreed.

By now I'm filled with lust and lose my patience so I yanked off his boxers. His eight inch cock sprang out and stood firm. Right away I got straight to work with it. I push him down onto the bed and started to give him a hand job. I rub and stroke hard from his shaft down to his balls. "You like that baby?" I ask in a sexy voice.

But all he does is grunt out in pleasure and I go harder on his cock. I then stop and put my mouth onto the tip of his cock. I am licking the tip like a popsicle and eventually start to put his dick deep in my mouth. He thrusts his dick in and out of my mouth while playing with his balls. I stop and start to lick his ball sack and grab his sack softly with my teeth. At this point I'm starting to get the feeling of an orgasm coming so I stop.

All I can hear was Mr. older dude's voice in my head. Suddenly he says, "You look beautiful completely naked. Your breasts are perfect! Your nipples erect perfectly." He looks down my naked body and continues, "Your pussy is shaved, I love that. His hands start to get shaky as they move down to my chest. He quickly reaches my breasts and rubs them down gently as he heads down to the stomach area. Then he passes my tummy down to the front of my legs. He does the whole leg, rubbing down to my feet. I am quietly grunting to myself.

only I know how to rub me the right way

He starts to massage each breast separately. I groan louder. He starts to massage my breasts faster and faster. I squeeze them together as he works his way down to my belly.

He starts to rub my belly with his hands on my thighs, his thumbs moving up and down. His hands rub gently around my upper thighs, teasing my pussy with passing touches. I squirm and twitch and I can see him getting even more turned on. Then he starts rubbing my pubic area with one hand and fingering my pussy lips and clit with the other. "Ohhhh...that feels so gooooddd....ohhhh yeah, keep rubbing there!" I'm begging him.

I'm moaning louder and louder. He starts to massage my pussy lips. His fingers slip their way into my slit and that's where something amazing happened. I pull his hand away and replace it with mine. I am so close that I don't want him to mess it up. Only I know how to rub me the right way! I rub my clit and cum like a banshee!

Maybe I'll have to stop in front of the diner tonight if I ever get out of this bad attitude and go to my night class. Maybe he'll be there in the window again. Maybe I'll actually talk and he'll help me for real this time to get over Raul. It's not that I'd ever want to marry an older dude, but he might be good for the rebound!

allie

Whenever gorgeous Allie and hard-as-nails Tony, knock boots, they like to take things slow in order to enjoy every luscious inch of each other. There were times that he'd eat out Allies delicious pussy for hours. Allie's soft pussy lips would puff up and her clit would stiffen, and her slit would get so wet that whenever his face was between her legs, he'd gets lost in the magic of her mound and time ground to a halt.

GETTING SOME PIECE IN NATURE.

Which is fine for her because she enjoys cumming at least three or four times each time thanks to Tony's lip service. In return she loves giving him his share of oral and tongues him to the very brink of blowing before climbing up and sitting smack down onto his rigid pole. As she rides him, she'll deliberately clench her pussy muscles tighter around his hard chunk of manhood with each pump. This is the time Allie cums again and the deep in vibrations of her pleasure drives Tony right over the edge so that he cums too, with a roar and spilling on Allie with a large load of warm spunk his man juice.

sydney

Every so often, one encounters a woman of unspeakable beauty whose loveliness is enhanced by her willingness to share herself with the world. Sydney must have woken up one morning and realized that it would be a crime against humanity to keep her beauty concealed underclothing and so she embarked upon the path of proposing new and showing off her magnificentness in all it's ravishing glory.

I ENJOY BEING AU NATURAL IN THE GREAT OUTDOORS. WISH YOU WERE NAKED HERE WITH ME.

Her butt is the sort of thing of which legends are based, homes are wrecked, promises are uttered, tears of unfettered adoration are wept and milky loads of man-spunk are spilled. The rest of her is equally as marvelous as her pert firm breasts make men and women drool to gat their lips onto her hard nipples. Sydney is best enjoyed basking in all-natural surroundings as we have captured her here.

natasha

How many times have you seen or dreamt of a girl and wish you could see her naked? Almost every day we bet. Well that's exactly how we got Natasha in front of our cameras. This self-described raunchy little hottie flashed her way into our hearts! With every little unzip and tug of her clothing, this attention craving, cock teaser showed us everything we needed to see: her tits, her ass and pussy, of course!

I MAY BE SMALL BUT I HAVE A COUPLE BIG THINGS THAT YOU MAY LIKE. LIKE THESE.

But it wasn't just the fact that she was so willing to shed her clothes that make her so exciting, it was her sexuality charged personality that really pushed her over the edge with us. Plus the fact that she said she'd fuck everyone in the crew and house after we were done. (Just kidding, she said) That puts her at the top of our new favorites list. After the shoot, she told us to express her appreciation to all that image her without clothes. Thank heaven for willing, sexy little hotties!

gotta love company parties

It was the last week of April and the company I work for usually throws an end of Spring party during this time. I had been to the last few and they were pretty boring until you got several drinks into you. Almost everyone was supposed to show for it, myself included, and taking a rain check on it was out of the question.

My name is Suzanne and I'm in my early-20s, divorced and desperately trying not to let my loneliness present itself during at this party, even though that is a hard thing to do. I'm about 5′ 5″ on a good day and I exercise often enough to make sure my tummy and abs remain trim and tight. My boobs still have a healthy bounce whenever I jump - at least that's the feeling I usually get whenever I'm out jogging. My ass too is tight and bouncy enough to catch a man's glance. However that has been hard to do at times.

Until just a month ago, I never fully realized how hard it was to find a suitable man in the city. I've tried various dating services both the romantic ones as well as the downright dirty. I subscribed to numerous online hookup sites and opened accounts on social networking sites. I've gotten several hits but so far have seen nothing that actually catches my fancy. I've uploaded my profile, but all I seem to attract are obnoxious strangers.

So now I have the head off to my company's Spring party without the thought of getting laid before summer arrives. I walk halfway up my block before I find a taxi willing to take me. I had to give him a good tip to get me to the company's building in record time. I figure that if I showed up early enough then perhaps I could sneak out afterwords without anyone being aware.

BLAIR-NTS-07

The taxi pulled up in front of the building ten minutes before time and I couldn't have been happier. I settled down my fears and then went in – past the revolving doors. The lobby still looked the same as any typical day. Several of my colleagues stood in front of the bank of elevators waiting for one to arrive. I came over and shook hands with them; exchanging some banter until the elevator arrived and then we all jumped in and lifted up to the fourth floor were the main ballroom was situated and where the festivities were being held.

I got myself a drink and hovered about smiling at faces shaking hands and flashing my smile that probably made people feel that I too was in the mood when really all I wanted was to get out of there. Already I was counting the time, I kept glancing at my watch every now and then like I couldn't wait for the hour hand to move along. Most especially I couldn't wait for the moment when our boss would appear to give his typical rah-rah.

Unknown to me at the moment, I wasn't the only one having a bad time during this gathering. His name is Mick and he works on the floor below mine. We were acquainted with each other though before that evening I knew next to nothing about him, all of that changed when we bumped into each other in the middle of the room and I spilled a bit of drink on his jacket.

"Oh my! I'm so very sorry," I apologized while trying to brush my spilled scotch on his lapel.

"It's all right," he said smiling. "Although you're going to have to pay for that." he said with a wink.

"And what do you propose?" I asked, returning his wink.

He indicated his head towards the bar. "You're almost empty. Come have a drink with me and all will be forgiven." he said.

We went in the direction of the bar and he ordered me another glass of scotch while he got himself a gin and tonic. We reintroduced ourselves and started making idle chatter. He really was a charming and pleasant fellow. He made me laugh so hard several times that it took me a lengthy while before I checked the time on my watch. He watched me perform this act and didn't say anything for a while until after we found ourselves in a quiet corner in the room. I was nursing my third scotch while he was having his second.

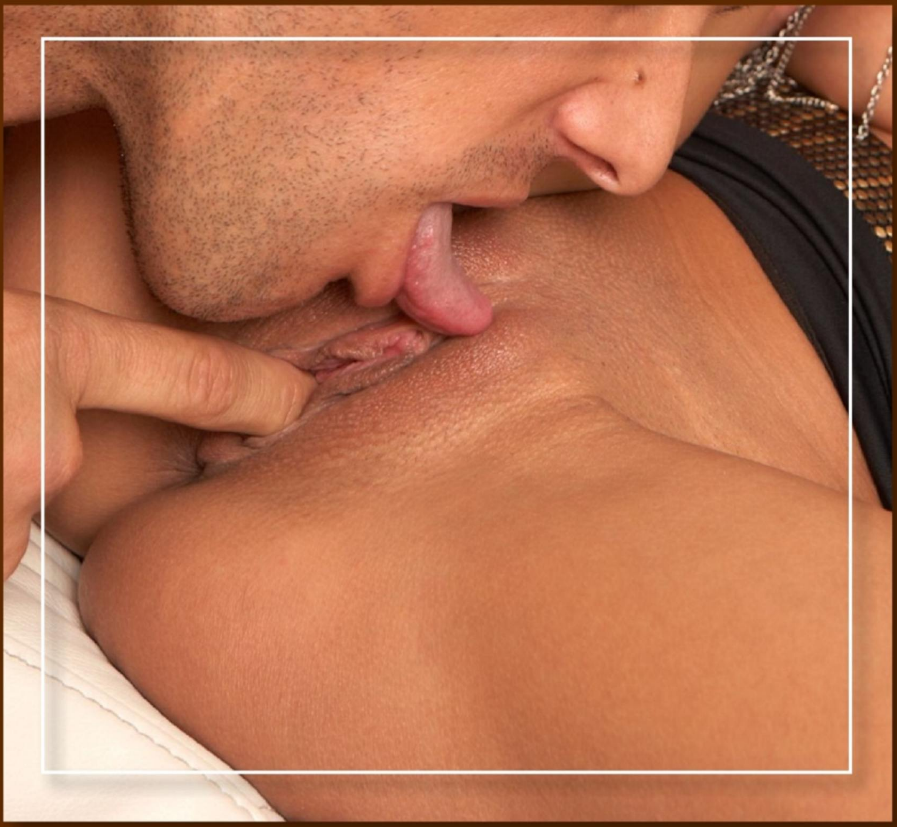
"You have some other place you want to be at?" he asked me.

"What makes you say that?" I asked.

"I noticed the way you were checking your watch. Looks like you're just as bored of being here as I am." he said.

"No, I don't have any other place to be. I'm just not in the party spirit, I guess." was my sad reply.

I couldn't stop myself from confiding in him. Maybe it was because of the drink or the fact that he really looked like the sort of person who listens when someone else is talking and right at that moment that was exactly what I was dying to find - someone who would listen to my diatribe. All of a sudden, I realize I was having some form of likeness towards him. He was handsome - just the right sort of person to spend time with. I know I probably shouldn't have opened up to him the way I did; but like I said, I couldn't help myself. While



I went on talking a couple of our colleagues came to join us. We had a four-way conversation, but after about twenty minutes we excused ourselves and went up the stairs to one of the offices.

How what happened between us actually started, I can't remember. But I do remember the door closing behind us. I can't recall if it was I who turned the lock or whether it was him, and then we came at each other. Our lips opened to receive each other's kiss and I held his face in my hands while I felt his running riot over my body. He carried me to the table in the office. Soon, we were fumbling over each other's clothes.

Mick pushed me to lay back on the table while he pulled my skirt up and tore off my panties. My heart was doing leapfrogs in my chest; I was so excited that I just about cried out when I felt his tongue connect with the flesh of my pussy. I could do nothing except surrender to him. My hands caressed his hair and I kept whispering for him not to stop. He licked through every tiny spot of my pussy and I just about exploded with a deep orgasm when I felt his lips give my clit a squeeze.

He allowed me to collect myself. I lay there for a moment breathing heavily while he leaned over me; pushed my bra upward and then planted his lips on my nipples. Ohhh, it felt so lovely! I pushed myself up from the table and knelt before him, my fingers fumbling for the zipper of his pants. "Now it's my turn." I whispered.

I reached into his pants, past his zipper and grasped his hardened cock and pulled it out straight into my mouth. I sucked it with just about the same vigor he'd used on me, and more. Just the feeling of his cock becoming harder emboldened me to suck him hard and good, and from the sounds of his gasps, I could tell I was doing a good job. I stroked his cock when I felt he was about to cum, and though I knew I shouldn't have done it, I couldn't help letting all that good semen of his go to waste, so I planted my mouth on the head of his cock and went on sucking and jerking him at the same time. He blew his entire wad into the deepest part of my throat.

I wanted him right there. He brought me to lean on the table as I pushed up my skirt and spread my legs further for him to gain easy access to my most private of parts. I grunted and grabbed hold of the table and when I felt his cock push his way into me. In and out – I felt his cock pushing into my tight pussy. So tight was I that it felt like all those days of me not being with a man had turned me back into a virgin. His cock was sliding in and out of my pussy like warm butter. I let him pull my hair and I couldn't stem the sound of my moans. It was the way he slammed his cock hard into me.

I don't know how long we were there. I didn't bother checking my watch, how could I? But in a way I almost didn't want it to end. I so much loved the feel of his cock in me. The way it filled me up, was out of this world!

MIck grunted that he was about to cum, so I waited for the right moment and when he pulled out his cock, I turned and took him into my mouth and sucked him hard and fast, felt his cock bulge before once again feeling his load of cum shoot into my mouth. I took my time to swallow everything - yummy!

That was our own Spring party!

roslyn

Roslyn and Danny crossed paths one night during a college party. Within moments of meeting, they had sequestered themselves back in her dorm room and where in the throes of something naughty. Roslyn delights in random sex and Danny has yet to meet a piece of easy tail he can refuse. In no time at all, they were naked and mashed together doing the horizontal mambo with Andy's cock rhythmically pumping in and out of the her steamy wet pussy.

YOU'D THINK THAT JUST LOOKING AT ME, I'D BE SWEET. BUT I'M NOT THAT INNOCENT!

After a few deft strokes into their hook up, she gaspingly pleaded with him to stick his cock in her ass and she sure didn't have to ask him twice. He obliged her by easing her tight o-ring wide with his thick meaty man stick. She noisily came shortly thereafter and Danny popped off not long after that. After their little soirée, they both rejoined the soirée a little bit sweatier and completely satisfied.

d'vae & anita

For certain breeds of cock-crazed babes, the one dick at a time method of doing it simply does not cut the mustard. Unless it's two chicks on one big dick. For stunning bisexuals D'Vae and hot Anita, it's fun to get down and go down on their fuck buddy Jon. Luckily this dude has been there before and knows how to handle this male-dream situation.

IF YOU THINK THESE PHOTOS ARE HOT, JUST CHECK OUT THE VIDEO OF OUR TRYST!

The two girls are willing to partner up and get pounded out as each have their turn. First though, they suck him and mouth fuck his major tool before hopping atop Jon and continuing jaw work his staff. They hump hard till their pussies cream before switching position. Anita is insatiable as she doggy's Jon's johnson while gulping D'Vae's glove juices and gets herself off a second time. Then they lavishes Jon's cock with more oral affection until his balls drain all over their faces.
